EXPERIENCE

Castlerock Asset Management | Nashville, TN
Graphic Design Intern | Summer 2023

I worked on the Marketing Team to create print, digital, web, and UX materials for Castlerock Asset Management, Bobby Nashville and The Westin Nashville. A few highlights were creating collateral for the Alan Mayor Retrospective and prototyping the in-room TV user experience.

Belmont Athletics | Nashville, TN
Design Intern, Photographer | Fall 2022-present

I worked with the Director of Athletic Marketing and Promotions to create graphics and tshirt designs for winter and spring teams. I shoot and edit photos for Belmont's athletic events year round, reporting to the Associate Athletic Director for Broadcasting and Media Relations.

Freelance Design Work
2019- Present

Freelance has given me experience working with clients and vendors as well as real world applications to my education. I've worked on branding, print, merchandise, packaging, web, social media, and more. Clients have included musicians, events, and small businesses.

Wingard | Jacksonville, FL
Graphic Design Intern | Summer 2022

I provided digital and print design services for clients in NE Florida ranging from healthcare and retail to nonprofits and schools.

Blended Festival | Nashville, TN
Photography Intern | September 2022

I worked alongside a media team to capture images of vendors, guests, and performances across 3 stages including Lil John, Loud Luxury, and Rich the Kid.

Belmont Student-Run Design Agency
Graphic Designer | Fall 2023, Spring 2024

In 2023, I interviewed to become a part of the inaugural class of the Belmont Student Run Design Agency. Through this experience, I've been able to art direct and design for various Nashville non-profits and local businesses and learn how to work on a team. Together, we set deadlines, delegate tasks, present concepts, and execute marketing materials.
